"Economic Abstracts" contains only a selection of the vast number of abstracts on filing cards issued by the Library of the Economic Information Service (Ministry of Economic Affairs), i.e. on literature – especially articles in important periodicals – with a more permanent value.

Subscription to filing cards

All subjects, all countries	*f* 220,— a month
Separate subjects or countries	*f* 0,14 per abstract
European Common Market and European Free Trade Association	*f* 4,— a month

The Library of the Economic Information Service also publishes a fortnightly abstract review, mainly in Dutch, on medium and small business (*f* 12,— per year) and a number of weekly abstract reviews in Dutch on several branches of industry (*f* 30,— per year each). On June 1, 1969, these reviews cover the shoe, food, paint, furniture and clothing industries. Extensions to other branches are under consideration.
